SUMMARY

Machine learning engineer with 4 years of experience building NLP and computer vision products.

EXPERIENCE

ML Engineer, InsightAI Labs (Jan 2021 - Present)

- Built resume parsing and candidate ranking service using spaCy, NLTK and scikit-learn (TF-IDF, cosine similarity).
- Deployed models with FastAPI and Docker on AWS; CI/CD with GitHub Actions.

Data Scientist Intern, DataWorks (Jun 2020 - Dec 2020)

- Created OCR pipeline with OpenCV and Tesseract for invoice digitisation.

SKILLS

Python, Machine Learning, Deep Learning, NLP, OpenCV, Tesseract, PyTorch, TensorFlow, Pandas, NumPy, Scikit-learn, SQL, SQLite, Docker, AWS, Git, REST API, Streamlit

EDUCATION

B.Tech in Computer Science, VIT University, 2020

PROJECTS

AI Resume Screener - Streamlit app ranking resumes against job descriptions.
